Impact  
Resilience  
Hospitality  
Hope  
Joy  
Success  
Care

## How You Can Help

Your support is the core of The Children's Inn's ability to provide no-cost lodging and comprehensive support services to children participating in trailblazing clinical trials at the National Institutes of Health.

Operating as a non-profit on the NIH campus, The Inn serves as a partner in discovery with the NIH. Your financial and in-kind contributions are essential to our work, which is funded almost exclusively by philanthropy.

By supporting The Inn, you help us:

- Make childhood possible for, on average, more than 1,500 brave children and families who seek diagnoses, treatments and cures for very rare or even catastrophic diseases at The NIH each year—and for the more than 16,000 children from 104 different countries who have stayed at The Inn over the past 30 years.
- Advance important clinical research at the NIH. By making stays at The Inn free, convenient, comfortable and even fun, families are more easily able to meet the extensive travel and time commitments required to participate in clinical trials.

The COVID-19 pandemic has highlighted the critical importance of clinical trials, especially those supported by the NIH, for not only rare diseases but public health overall - although the impact of NIH clinical trials has long been felt worldwide.

As The Inn commemorates our 30th anniversary, we celebrate the many medical advances that our children and young adults have played a role in since our founding. These include milestones such as the successful treatment of HIV/AIDS, new treatments for sickle cell disease and an increase in the survival rate for children with cancer that is now greater than 80%, among many other discoveries and advancements.

How does supporting The Children's Inn at NIH benefit your company and your employees? The Inn's corporate engagement program provides:

- Mission-centered alignment between your contributions and The Inn's work;
- Sponsorship opportunities;
- Philanthropic activities for your employees to volunteer and fundraise; and
- Recognition of your support for The Inn and your commitment to making childhood possible.

**Thank you for joining us in providing a place like home and hope for a brighter tomorrow.**

**Join us as a partner in  
hope and discovery today!**

# How to Get INN It: Corporate Engagement Overview

The Inn welcomes supporters from all giving capacities to engage with us in making childhood possible. Depending on your contribution level, your organization's engagement with The Inn will [include opportunities to:](#)

- Sponsor room nights at The Inn. We'll provide you with a report you may share with key stakeholders to highlight your organization's impact on The Children's Inn and the families we serve.
- Support virtual events. These may include presentations by NIH staff, our run/walk, fundraisers and fun programs for Inn supporters and families such as online bingo or trivia.
- Engage your employees by participating in volunteer activities such as making [thoughtful treasures](#), preparing themed snack packages, hosting a fun or educational virtual activity for Inn residents and more.
- Host a virtual family dinner to brighten families' evenings after a long day of medical appointments. Your organization orders the meals and our staff takes care of the rest.
- Nominate employees interested in a volunteer leadership role to become "INNfluencers" to champion The Inn and opportunities for colleagues to participate in activities.

## Support The Inn Today

Confirm your commitment as a partner in hope and discovery by reviewing engagement options and make your donation [online](#).

Please contact Anne Mandeville, The Inn's senior director of development operations and strategic partnerships, at [anne.mandeville@nih.gov](mailto:anne.mandeville@nih.gov) or 301-827-6069 for additional information.
