The Children's
Inn at NIH

2023 HOLIDAY WISH LIST

Help make the holidays bright for Inn children and their families

Our families travel from all over the world to access groundbreaking medical treatment available at NIH. The holidays can be difficult being so far from home. You can help make this holiday season extra special at The Inn by providing gifts to children and their families. Holiday gift donations will support various holiday events and stock our Gingerbread Gift Shop, a magical place for children to choose holiday gifts for their parents and siblings—all at no cost.

Gifts may be dropped off or shipped to:

**The Children's Inn Donation Dept.
7 West Drive, Bethesda, MD 20814**

Gift donation guidelines:

- **All gifts must arrive at The Inn by Friday, December 15, 2023.**
- All gift items should be brand new and in their original packaging— **please leave items unwrapped.**
- Please note we cannot accept stuffed animals, plush toys, or Play-Doh.
- Monetary gifts are gratefully accepted. Please indicate “holiday wish list” in your memo or comments.
- For questions, please contact Meghan Smith at **301-827-6054** or at **meghan.arbegast@nih.gov**

Thank you for making the holidays bright for children and families at The Inn!
